

Food and Toy Drive

This holiday season we are asking for your support of our 10th Annual Food and Toy drive. Last year the food raised by Lewis Cleaners was given to the Salvation Army and we had a Holiday Celebration for Families of the Crossroads Family House.

This year we will once again support the Families from the Shelter Network Family Crossroads program. We will have a private Christmas party for all the parents and children that are in need of some Holiday Cheer. We will supply food for the families and toys for the children on Monday December 21th, 2009 from 6:00-8:45. Santa Claus will also hand out all the donations during a special Holiday party for all the Families.

Hello Friends & Clients!

I think it is officially HOLIDAY TIME around here. We have been truly blessed this year – we've got a loving family and friends, a blossoming business, and beautiful, healthy children. All in all, we have been very fortunate and we have been extremely grateful for that.

But not everyone has experienced the same good fate that we have. There are a lot of families, right here in our own communities, who have had a hard time this year. Whether it was the loss of a job, or medical bills, or the rising cost of living – there are people right in our own back yards who could use just a little extra help.

So, that is why we are turning to our REMARKABLE clients for help with our **10th Annual Food Drive!!!!** You've helped us succeed before – and we are confident you will help do it again! . And we don't want to just collect a *few toys*, food, books or clothing – we want to collect a **minimum of 500 items!!!!**

So, obviously we can't do this ourselves. So, that is where **you** fit in. Between now and December 19th, for **EACH** toy that you donate you will receive \$10 off our services, and for every canned food that you donate, we will give you \$2 off your carpet, area rugs, pressure washing, upholstery, tile, or Commercial cleaning job, up to \$30! (That is only 15 cans of food or 3 toys!!!)

PLUS – We are also looking for CASH donations to help with the Holiday Party and Celebration that will take place on December 21,2009.
